Dear Clients,

I can't believe that we are nearly at the end of 2009. On December the 10th Elements has been open for seven years. A big thank you to all our clients who have shown us their support over this time.

With the Christmas holidays creeping closer and the thought of present buying filling us with dread. Why not take the stress out of shopping and treat your friends, families or loved ones to a little bit of pampering.

The Christmas packages given below are just a few ideas that we have put together to relax the mind, body and soul. We are always on hand to offer advice on choosing that special gift.

Our beautifully handmade gift vouchers are available for an amount of money or a chosen treatment.

We are more than happy to post gift vouchers out for you. Just allow enough time for the Christmas post!
