Dear Clients,

Summer has at long last arrived and with it brings the quest for a tan!

During recent months sun bed use has been mentioned quite a few times in the press along with the increase of sun damage. Here at Elements we like to promote safe tanning and for that reason you may want to take note of the following points.

- \* No more than six minutes for your first session. (For fair skin this will be reduced to three minutes)
- \* Use the sun bed no more than once a week.
- \* Do not use the sun bed as well as sunbathing in the natural sun. Leave at least 24 hours in between.

For those of you who are looking for a faster tan don't forget the St Tropez spray tan. Priced at £22.00 and book your top for just £15.00! (See offers below)

## NEWS

We have a new receptionist called Dawn who has taken over reception duties as Jill left the end of April. Audrey is also back working with us as well on Wednesdays and Fridays. Two more girlies to add to our team!

Due to bank holiday in August the salon will be closed on Tuesday 1st of September.

Loyalty vouchers are being calculated at the moment so these will be credited onto your account for you to use on your next visit.

Enjoy the summer months whatever you have planned.

With love from,

Ruth and the girls xx
